Subject: Your reference our application filed 31.12.09 making environmental clearance for the above project under EIA Notification 2006. The present has been applied as per prescribed procedure in the light of application via the environment, EIA, E&P and additional clearances. Requested to respond to the application via the concerned, EIA, E&P and additional clearances. Requested to respond to the application via the concerned, EIA, E&P and additional clearances. Requested to respond to the application via the concerned, EIA, E&P and additional clearances. Requested to respond to the application via the concerned, EIA, E&P and additional clearances.

2. **Brief Details of the Project**

Category/Item code		Item B	
Location & Project		Bawali, Central Commercial Complex and retail supermarket, CN-12, MECI Industrial Area, Village	
1. Plot Area		1 Plot Area Total area 10000 Sq.m Plot No. 10000	
2. Maximum Building Height		1. Plot Area Max. Building Height 22.50 m Plot No. 10000	
3. Estimated Cost		Rs. 10 Cr. Approx. Total cost 10 Cr. Approx.	
4. Project Name		1. Plot Area Project Name Bawali Central Commercial Complex and retail supermarket, CN-12, MECI Industrial Area, Village	
5. Environmental Management Plan		1. Plot Area Environmental Management Plan (EMP) ID: 10000	
6. E&P & Scope		1. Plot Area E&P Scope: Construction - 100% E&P; Operation - 100% E&P; Disposal - 100% E&P; Supply Chain - 100% E&P	
7. Environment Management Plan		1. Plot Area Environment Management Plan ID: 10000	

3. **Environmental Impact Assessment (EIA) Report**

Category/Item code		Item B	
1. Project Name		Bawali, Central Commercial Complex and retail supermarket, CN-12, MECI Industrial Area, Village	
2. Plot Area		1 Plot Area Total area 10000 Sq.m Plot No. 10000	
3. Maximum Building Height		1. Plot Area Max. Building Height 22.50 m Plot No. 10000	
4. Estimated Cost		Rs. 10 Cr. Approx. Total cost 10 Cr. Approx.	
5. Environmental Management Plan		1. Plot Area Environmental Management Plan (EMP) ID: 10000	
6. E&P & Scope		1. Plot Area E&P Scope: Construction - 100% E&P; Operation - 100% E&P; Disposal - 100% E&P; Supply Chain - 100% E&P	
7. Environment Management Plan		1. Plot Area Environment Management Plan ID: 10000
